NAVIGON 7200T

Evolution, at its finest

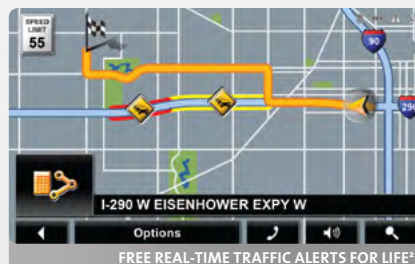

VOICE DESTINATION ENTRY

SUPERIOR NAVIGATION, BUILT TO IMPRESS

When it comes to design, the NAVIGON 7200T cuts no corners—and helps guide you around the tougher ones with advanced features designed to anticipate a driver's every navigational need.

A commuter's best friend, Free Real-Time Traffic Updates re-route you around traffic congestion with color-coded incident icons, traffic flow data, and more. Only NAVIGON makes traffic work out of the box for the life of the product, no subscription, no additional hardware, no strings attached.² Voice Destination Entry lets you specify a street address by saying it out loud. Landmark View 3D displays North America's best-known buildings in richly-textured 3D. Next generation Reality View™ Pro and Lane Assistant Pro combine to provide 3D images, actual road sign text, and lane guidance to make sure you never miss another turn again. Bluetooth® enables hands-free calling.³ DirectHelp™ provides emergency and roadside assistance information at the touch of a button. This is rich, relevant technology at the top of its game.

Powered by NAVIGON's next generation software, the 7200T is fast and easy to use. Fewer clicks to enter your destination get you on the road faster than the competition. An elegant 4.3" flat panel touchscreen makes this device a true beauty.

FREE REAL-TIME TRAFFIC UPDATES
